

If you rent your home/apartment, signed written permission from the landlord is required as part of the application for a Home-Based Occupational Business Tax Receipt (license).

Landlord Permission-Home Based Business

Required information in the written consent from your Landlord:

Landlord Name

Landlord Phone Number

Landlord Signature

The written permission must state that the Landlord is giving you, the tenant, permission to use the rental home/apartment address for a home-based business and understands this will affect the water rates changing them from residential to commercial.
